It's been an amazing four years. I couldn't have asked for better friends throughout it all, and would like to thank each one of them for all they did for me. I'd like to say a special thanks to my four closest friends (you know who you are), you guys stood by me and had my back everyday over the past four years, and I wouldn't have wanted it any other way. I'm going to miss everyone, but I also know it's time we start the next chapter of our lives.
